- Yes- I DO give the SMRC permission to use my photographic and/or video likeness taken during any SMRC event or anywhere I am representing the SMRC as a Salish Sea Stewards trainee, intern or Salish Sea Stewards Volunteer, by any means and without limit for education, demonstration, and promotional purposes.

Requirements & Commitments

1. Attend all Salish Sea Stewards classes which will be held every Tuesday, 1- 5 PM at the Padilla Bay Reserve. There is currently one session tentatively scheduled for Wednesday, April 18, which will replace the April 17 training class. A training syllabus will be provided on first day of class. We will work with you if you must miss a class, but we ask that you seriously consider your availability as class space is limited.
2. Obtain 10 additional hours of training or environmental education outside of scheduled Tuesday class hours from the list provided during the first class. Optional Saturday field trips or advanced training opportunities will be arranged as part of the Salish Sea Stewards course. These can be counted towards this requirement.
3. Provide at least 50 hours of service on any SMRC or partner volunteer projects or activities within one year of completing the Salish Sea Stewards training.
4. Record and report your 50 hours of volunteer service using Volgistics online database. Volgistics training will be provided during the class.
5. Acknowledge that photos and video recordings may be made during classes, events and activities, and that this material may be used in whole or in part by the Skagit County Marine Resources Committee.

If accepted into the Salish Sea Stewards volunteer training program, I agree to complete the training program required of all volunteers, and I agree to the terms and conditions listed in the Requirements & Commitments section above.
