Requirements & Commitments

1. Attend all Salish Sea Stewards in-person training sessions. The sessions will be held every Tuesday from 1:00 pm –5:00 pm from March 1, 2022 to May 24, 2022. We will work with participants if they must miss a class, however we ask that all applicants seriously consider their availability as class space is limited.
2. All participants must be fully vaccinated by March 1, 2022. Full vaccination status is considered to begin two weeks after the final dose of a vaccine. Participants must bring in their official vaccine card (or a copy or photo of the front and back of their vaccine card) to the first training session on March 1, 2022.
3. All participants will need to complete an online health survey before each in-person training sessions, event or activity.
4. All participants will be required to wear a mask during in-person training sessions, events or activities.
5. Provide at least 40 hours of volunteer service on any Skagit County Marine Resources Committee or partner volunteer projects or activities within one year of completing the Salish Sea Stewards training.
6. Record and report your volunteer service using Volgistics, an online database. Training will be provided during the class on how to use Volgistics.
7. Acknowledge that photos and video recordings may be made during training sessions, events and activities, and that this material may be used in whole or in part by the Skagit County Marine Resources Committee. Photo/Video Release will be provided.

If accepted into the Salish Sea Stewards volunteer training program, I agree to complete the training program required of all volunteers, and I agree to the terms and conditions listed in the Requirements & Commitments section above.
